Forspill til en historie basert på "En midtsommernattsdrøm"
Prelude to a story based on A Midsummernight's Dream

Musical score for piano, measures 69-70. The score is written for two staves: the upper staff is in treble clef and the lower staff is in bass clef. Measure 69 features a complex chord structure with multiple notes in both hands, connected by a long, sweeping slur that extends across the bar line. Measure 70 shows a continuation of this structure, with a prominent chord in the right hand and a single note in the left hand. The piece concludes with a double bar line at the end of measure 70.
